

# HME SIGNATURE SERIES

## AIR LIGHT ONE RAMP

### HME SIGNATURE SERIES AIR LIGHT ONE RAMP

HME Signature Series Air Light Folding Threshold Ramp offers a unique, lightweight, transportable option for accessing your home. Able to bridge a door threshold, the HME's Air Light ramp is suitable for all doorways, including sliding patio doors with tracking. With adjustable leg heights, the Air Light can accommodate a variety of doorway access issues.

At less than 20 LBS, The Air Light is portable and easy to carry. When folded, the Air Light ramp stows compactly for storage or transport in most vehicles' trunks or backseats.
